

Epilepsy Support Network *of Orange County*

Our Mission | The Epilepsy Support Network of Orange County is committed to building a community of support to improve the lives of those affected by epilepsy through education, programs and advocacy.

Our Core Values | **Compassion, Respect, Integrity, Excellence and Community Benefit**

The Epilepsy Support Network accomplishes its mission through long lasting relationships with individuals, families, epilepsy medical professionals, schools and community organizations. In addition, these relationships help us provide our community with the most current information in epilepsy treatment, resources and research with compassion and support. Our goal is to help individuals and families achieve the highest quality of life while pursuing seizure control.
