### **We are walking again as part of our Stopping Seizures 2011 Tour!**

The annual Epilepsy Walk Orange County is set for Saturday, May 21, 2011 at TeWinkle Park in Costa Mesa. Our event will include a walk, BBQ lunch, silent auction and many fun carnival games and activities for the kids.

It is our dream that every family has immediate support from our organization when a person suffers his or her first seizure.

Chances are *you* know someone with epilepsy. **1 in 50 children and 1 in 100 adults** has epilepsy. Approximately 32,000 people in Orange County alone brave this chronic condition everyday. We invite you to join us in our commitment to urgently help children, teens and adults find relief from seizures and their side effects.

The Epilepsy Support Network relies entirely on individual donations and grants, receiving no government funding. Community support like yours keeps our programs alive and helping people every day.

We need your corporate sponsorship to make our event a huge success.

We truly appreciate your time in reviewing our request and thank you in advance for making this a successful endeavor for the ESNOC. Please complete and return the enclosed sponsorship form to the following address or go online to [www.EpilepsyWalkOC.kintera.org](http://www.EpilepsyWalkOC.kintera.org) and select your corporate level. For printing deadline purposes, please mail form with check by April 29, 2011.
